¹Dwarven fighters with less than 17 strength are limited to 6th level; those with 17 strength are limited to 7th level.

²Elven fighters with less than 17 strength are limited to 4th level; those with 17 strength are limited to 5th level.

³Half-elven fighters of less than 17 strength are limited to 6th level; those of 17 strength are limited to 7th level.

⁴Elven magic-users with intelligence of less than 18 are limited to 8th level.

⁵Half-elven magic-users with intelligence of less than 17 are limited to 6th level; those with intelligence of 17 are limited to 7th level.

Notes Regarding OD&D Character Race Table:

Numbers in Parentheses () indicate that this class exists only as non-player characters in the race in question.

Numbers — not in parentheses — indicate the maximum level attainable by a character of the race in question.

U appearing in a race column indicates that a character of the race in question has no limitation as to how high the character can go with regard to level in the appropriate class.
